

# Designing Classrooms with Expert Support

For advice about how best to design and equip your learning environment – whether a new space or an existing classroom – simply contact us for help. One of our Curriculum Consultants will work with you to discuss your vision, design your rooms and create a detailed list of all the equipment you need to transform your environment.

We specialise in resourcing classrooms from 2 to 6 years and plan pre-school rooms, nurseries, Reception and Y1 classrooms as well as shared areas. Our fast and efficient delivery service ensures that you receive your order as quickly as you'd like, and we even help you to install all of your furniture and resources. We can also provide onsite consultancy and training to support and upskill staff.

## Benefits

- Expert help to design your classrooms
- Bespoke plans to maximise the use of space
- Support with ordering all of your furniture and resources
- Speedy delivery and help with installing your equipment

'With your support we have begun to achieve our vision for a child-centred ethos through primary. We have worked together to plan and equip stimulating environments YR – Y2. With continuing support we are confident in achieving quality learning right the way through school.'
