Autumn National Briefing 2019

Inspecting the EYFS from Ofsted HMI
with National Updates from Early Excellence

Attend the Early Excellence National Briefing Autumn 2019

Join us at the Autumn 2019 National Briefing for the next in a series of vital updates and hear direct from the Ofsted Early Years team about inspecting the EYFS under the new framework.

With the latest information on changes to **ELGs**, the new **Baseline** and the work taking place to replace **Development Matters** with new Curriculum Guidance – along with insight from Ofsted's HMI about inspecting YN and YR under the **new framework**, this is an ideal time to be in the know and take stock of what this means for your school.

Find out from senior HMI how schools are meeting the new expectations – particularly the raised focus on curriculum and the meeting of the three 'I's' – Intent, Implementation and Impact – and gain greater clarity about what to expect if and when Ofsted arrives!
