Discover our New London Hubs

The Early Excellence London Centre has relocated into two brand new, state of the art school buildings, offering fantastic training facilities and the opportunity for guided learning walks within the EEx Interactive Environment and in real classrooms after hours.

Join us in September as we launch these two new venues and:

- Take a tour of the new schools and training facilities
- Hear about the CPD events taking place in Autumn and Spring to inspire your practice
- Receive a set of training and resource vouchers worth £100.00
- Enjoy afternoon tea with a small glass of bubbly to celebrate!

“I am looking forward to welcoming you to our new London Hubs where we will be leading all of our EYFS and KS1 training and hosting many of our national events – and it is with huge thanks to Edith Neville Primary School and Maytree Nursery School for enabling us to offer such a fantastic programme of specialist CPD. I will also be out and about in London leading bespoke support and training - so do get in touch if I can be of help.”
