

# Delivering Excellence in Early Years

**Early Excellence is a highly regarded, UK education company with a national and international reach.**

With an unparalleled, 20yr history for supporting the development of high-quality Early Childhood Education, we have become the UK's leading provider of innovative classroom solutions along with staff development and training programmes to inform, inspire and upskill staff at all levels.

Focused on supporting inspirational teaching and learning 2-7yrs, we are committed to supporting schools worldwide, to secure the very best educational practice for their children and support over 3500 schools and nurseries each year.

**Partner with Early Excellence and gain the support you need when you need it:**

- **Strategic advice** about practice and provision to support innovation and improvement
- **Onsite consultancy** from experienced educators to review and evaluate current practice
- **Specialist training** to support staff development priorities
- **Classroom designs** for new builds and refurbishment projects
- **Complete classroom solutions** to fully equip and resource learning 2-3yrs, 3-4yrs, 4-5yrs, 5-7yrs
- **High-quality resources** to equip every area of provision; sand & water, blocks & small world, maths & science, roleplay, books & puppets, etc.

Enrich learning with high-quality resources

“Working with Early Excellence has been an amazing experience. Our Early Years’ classrooms are filled with high-quality furniture and resources which have truly taken the children’s learning environment beyond expectations - and the training was first class!”

**Sarah Harley**  
Assistant Principal  
Nord Anglia International School  
Hong Kong
