# Work with a Transforming Organisation

**Early Excellence has an unparalleled, 20 year history of supporting the development of high-quality Early Years education 2-7yrs. We are the UK's leading provider of innovative classroom solutions and staff development programmes, working with over 3500 schools every year.**

With a long-standing reputation for the successful delivery of school improvement, specialising in the support of early learning, we equip classrooms, resource learning and upskill staff at all levels – in all areas of teaching and learning.

“Enriching the educational experiences of young children is our mission – and it’s something we are proud to achieve everyday through the schools and organisations we work closely with. Through our work, in all its many facets, we help to produce great results for the people we partner with – and we are constantly forging new partnerships in the pursuit of excellence in early education.”

**Liz Marsden**  
Founder & CEO

# Invest in an Ethos of Excellence

By investing in support from Early Excellence, you gain access to our unique and highly informed perspective of quality education built on the most up to date and relevant knowledge of early childhood pedagogy, provision and practice.

Our consultant team is highly skilled at working with schools to embed a consistent view of quality, helping leaders to transform the learning environment and implement effective practice that meets the needs of their school community. Our aim is to improve outcomes by enriching children's experiences and nurturing outstanding teachers.

So, whether you are seeking a programme of staff development or you want to improve your learning environments – we will be delighted to work with you.

#### Benefits

- Long standing organisation with an unparalleled reputation for promoting quality practice

# Create an Inspirational Environment

**In Early Years children's learning is inextricably linked to the environment – to the resources and books that adults and children access everyday – and that's why we are so committed to helping schools get every aspect of the learning environment right.**

So whether you are opening a new school or kindergarten, or are planning to refresh your existing classrooms, we can help you to equip every aspect of learning with our unique range of specialist furniture and resources - enabling you to achieve, the highest quality learning environments for your children.

From classroom design and planning, through to ordering and resourcing – and with onsite support available to set-up and get going – our team of consultants can help you all the way.

#### Benefits

- Expert classroom designs matched to the needs of young learners
- Complete resource solutions to fully equip learning 2-7yrs
- Unique resource collections to enrich specific areas of learning
- Specialist outdoor resources to fully embrace outdoor learning

“Working with Early Excellence has been an amazing experience. Our Early Years’ classrooms are filled with high quality furniture and resources which have truly taken the children’s learning environment beyond expectations. The training, which was delivered by a Senior Consultant from Early Excellence, was first class and the staff felt supported and inspired by the experience. Current and prospective parents comment on the quality and uniqueness of the resources.”

# Be Inspired & Stay Ahead of Best Practice

**Every leader and every team needs to feel valued, continually supported and inspired so that they remain committed and highly motivated to do their best everyday for the children they work with.**

To help you achieve this level of ongoing support we lead key events and conferences throughout the year in the UK and worldwide for EYFS and KS1 leaders and teachers – and provide training, practical advice and innovative ideas for practice through our online CPD portal.\*

#### Benefits

- Worldwide training events to stay ahead of policy and practice
- Digital materials and videos offering practical advice, planning guides and audits
- Online webinars and linked training for team development

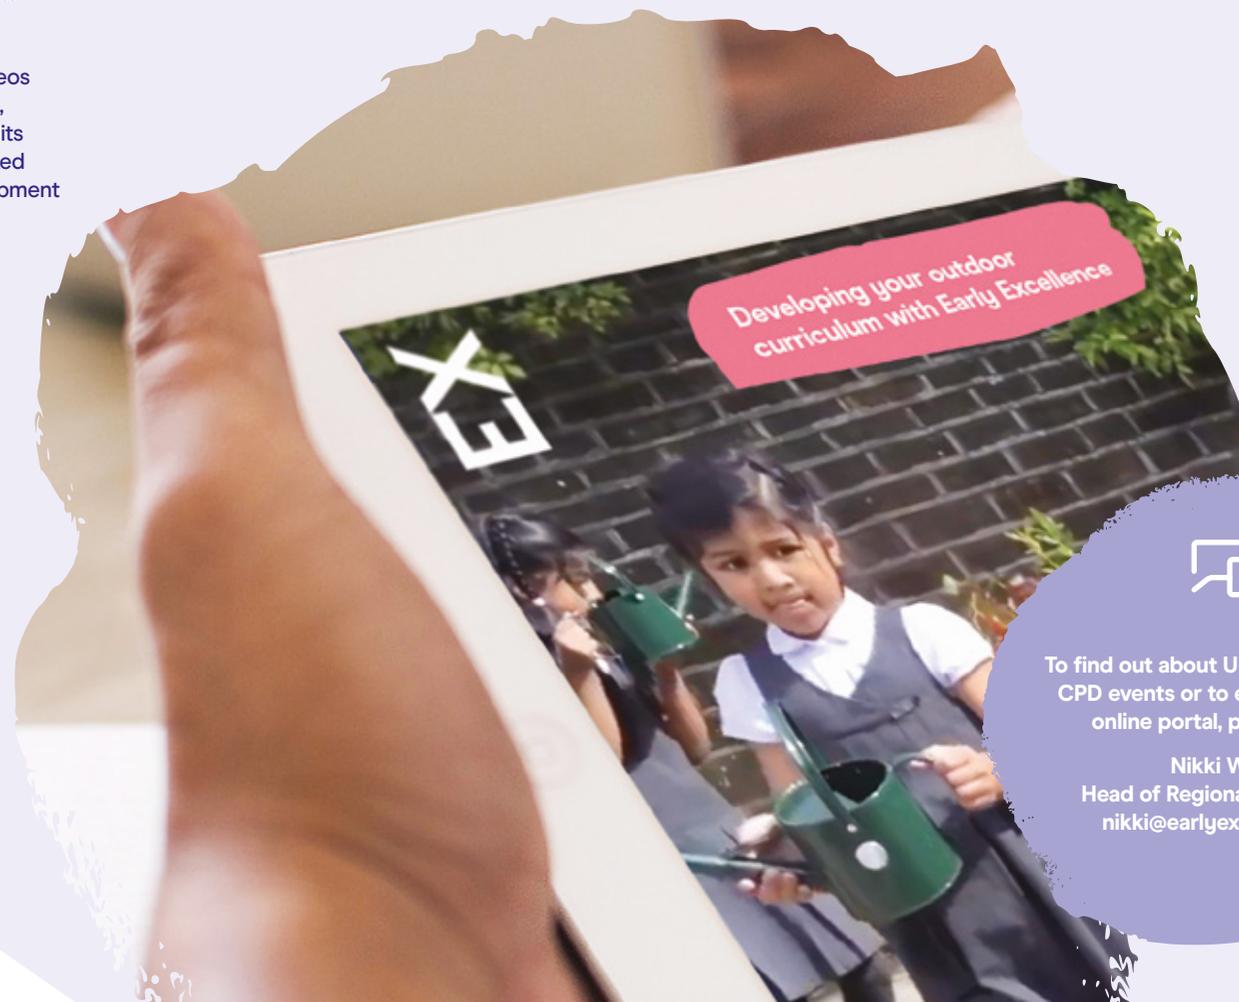

“When I first met the senior team at Early Excellence, I knew that our values were aligned and I had no hesitation in working with them to support our Early Years. As a result of this support staff feel positive, enlivened and energised by both the challenges and support they continually receive and we are delighted by the progress our children are making.”
