Key workshops
for KS1 teams
looking to rethink
and develop
practice

Early Excellence are delighted to be working with Wood Street Infant School offer an exciting day of training this Autumn for KS1 teams who are looking to rethink and develop their practice.

Consider how
to closely link
continuous
provision to KS1
expectations

Venue: Wood Street Infant School, Wood Street Village, Guildford, Surrey, GU3 3DA
Date: Thursday 23rd September 2021

Course	Time	Cost
How to Manage the Curriculum in KS1 Join us to explore and understand how continuous provision, classroom routines and incidental learning can all be used to support the demands of the KS1 curriculum. This workshop is an opportunity to consider how to closely link continuous provision to KS1 expectations, and will be bursting with practical approaches to support and develop current practice and ideas for all aspects of classroom life.	9.15am - 11.15am	£55.00 (exc. VAT)

How to Evidence Learning and Demonstrate Progress in KS1

This afternoon workshop will explore manageable ways of supporting children to evidence their own learning in increasingly sophisticated ways when working in provision. Join us to plan developments in your own classroom and discover practical ideas for recording learning through engaging learning opportunities within continuous provision.

1.30pm - 3.30pm
£55.00 (exc. VAT)
