Developing Effective Outdoor Learning EYFS & KS1

Join this highly practical online CPD programme to deepen your knowledge of best practice and enhance outdoor teaching and learning across your whole team.

Explore the Programme

Introductory Webinar

Setting the Scene: An overview of the programme and how to use it with your team for Leaders.

Training Webinars

A series of three 90-minute training sessions for your EYFS Team to join either together or individually and one session to support the continued development of outdoor learning in KS1.

- Enriching Communication, Language and Literacy
- Enriching Collaboration, Mathematical Thinking and Problem Solving
- Enriching Investigation and Discovery
- Continuing Outdoor Learning in KS1

Practical Tips Videos

Nine videos that explore key areas of outdoor provision and ways of using the provision to support teaching and learning across the curriculum in the EYFS and KS1.

The videos explore how outdoor resources can be used to embed skills and knowledge in the EYFS, and secure progression in KS1.

- Water Investigations
- Building and Construction
- Role Play
- Mud Kitchen
- Sand and Gravel
- Gardening and Growing
- Exploring Nature
- Playing Games
- Creative Materials

Additional Resources

This unique package of online learning is enhanced by a suite of additional resources to use across the team, including audits, examples of Continuous Provision Guides and suggested gap tasks.

Cost per school
£395.00 (exc. VAT)

Audience

EYFS & KS1 Teams seeking to work together to develop the use of the outdoor provision to support teaching and learning across the curriculum in the EYFS and KS1.
