# Refurbishing Classrooms with Early Excellence

Investing in an expert-led  
solution for learning

# A Unique Proposition in the Early Years Furniture and Resource Sector

**Early Excellence Limited is a specialist educational company with an unparalleled reputation built over 25yrs; a leading provider within the early years training, furniture and resource sector.**

Helping schools and settings to achieve outstanding teaching and learning, within an effectively planned environment across EYFS & KS1, is our key driver.

We offer a wide range of expert support including school improvement services, training and consultancy, along with specialist, high-quality furniture, resources and outdoor equipment differentiated for age 2-7yrs.

“We were lucky enough to have a personally created room plan, and all I can say is it was a game changer! I noticed the difference almost immediately. The furniture design and clever layout enabled our children to become more independent learners, with more focused adult support and teaching opportunities. It’s such a transformation!”

## Leading Classroom Development

### 10 Reasons to Choose Early Excellence

#### 1 Experienced Consultants

All qualified teachers and former school leaders, our curriculum consultants bring deep knowledge and practical expertise to guide your developments.

#### 2 Bespoke Solutions

We understand that all schools have different contexts and unique requirements. Our team have the experience to engage with you in a professional dialogue to shape a solution that meets your objectives.

#### 3 Seamless Integration of Pedagogy

Based on the latest research in Early Years and early Primary education, we incorporate evidence-based strategies and solutions aligned with the most effective methods for supporting children's learning and development.

#### 4 Optimised Learning Experiences

All of the classrooms and outdoor areas we design align with curriculum requirements, ensuring that they promote a broad range of learning outcomes for children. The furniture specifications are differentiated 2-7yrs, with resources carefully chosen to optimise development and support effective teaching.

#### 5 Quality & Functionality

The quality of Early Excellence furniture and storage is designed to withstand the demands of daily life in a classroom. We supply pre-built, solid furniture with a 10yr warranty, all delivered and installed into your classrooms. No quality issues, no flat pack or DIY involved!

#### 6 Sustainable Forestry

All of our furniture is manufactured in the UK using wood-based panel products certified by PEFC and/or FSC. This means that the timber is from verified, well-managed forests, which ensures a renewable and sustainable resource with the lowest possible environmental impact.

#### 7 Ethics and Integrity

Through our commitment to acting ethically and with integrity, we work only with highly reputable, well-established manufacturers, distributors and suppliers. In addition, we supply our own Early Excellence designed furniture, manufactured in the UK, and every resource for every area of provision is chosen and quality assured by our Curriculum Team.

#### 8 Comprehensive Support

Throughout the entire design process, from initial consultation to final delivery, we pride ourselves on providing comprehensive support and outstanding customer service. Whatever your need, query, timescale or issue, we will do our utmost to resolve it for you.

#### 9 Long-term Relationships

Building long-term relationships with schools and settings is our aim. Even after your classrooms have been fitted out, we can work closely with you to guide and support your development, becoming a trusted partner in continuously improving EYFS and KS1 teaching and learning.

#### 10 Partner Schools

Many schools that connect with Early Excellence develop outstanding provision and become members of our Partner School Network, which aims to share best practice locally.
