Planning for Improvement, Innovation & Impact

In a continued climate of challenge, with more change ahead, and as we reflect on the type of society we want to live in, never has it been more important to ensure that children make the best possible start to their education. Early Excellence remains firmly focused on providing schools with high-quality professional development that strives to meet this goal.

Through our blend of online webinars and onsite Host School courses, we provide an extensive range of training and development. Inside this programme, you will find CPD for all levels of experience: from courses to develop core practice and secure quality teaching for EYFS and KS1 practitioners, to inspiring bitesize sessions, all designed to inform and upskill your team. There is also a comprehensive programme of national update events, specialist seminars and conferences to support and guide leaders in achieving their vision for learning.

By connecting with Early Excellence for CPD, you and your staff will become part of an impactful and passionate learning community.

We look forward to working with you over the coming term.

For Heads, Deputies & Senior Leaders

Strategically Developing Provision for 2-3yr old Children in Schools

As schools increasingly expand their early years offer, leaders will want to offer high-quality provision and be confident that statutory requirements are being fulfilled and that the learning and development needs of the children are being met.

Reflect on the challenges and opportunities of working with younger children; identify critical priorities, strategic guidance and practical solutions to support children to make the best possible start to their school learning journey.

Senior Leader Briefing Early Autumn 2025

The summer saw a wave of important developments in early years education, from the launch of the DfE Writing Framework and the expansion of Best Start Family Hubs, to anticipated changes to the Ofsted Inspection Framework and new EYFS statutory requirements, including updated nutrition guidance.

As school leaders enter a new academic year shaped by these significant national changes, the focus on Reception and early years leadership has never been sharper. To support you to stay ahead, our Early Autumn Senior Leader Briefing will bring clarity to what's changing, why it matters, and how to respond strategically in your school.

Interacting or Interfering?

Led by Professor Julie Fisher

Every day, early years practitioners engage in interactions with young children that have the potential to enhance their learning. This full-day online seminar will examine the knowledge, timing and sensitivity necessary to interact effectively and, as a consequence, build important relationships and enhance children's well-being and motivation to communicate.

Throughout the day, Julie's own research will be woven with expectations from the EYFS programmes of study for Communication and Language and the recent 'Best Start in Life' documents from Ofsted, in order for delegates to reflect on different ways they might extend and enhance children's language and communication through natural, genuine, everyday conversations.

Professor Julie Fisher
Guest Speaker

Julie Fisher is an independent Early Years Adviser and Visiting Professor of Early Childhood Education at Oxford Brookes University. Previous roles have included Early Years Adviser, lecturer and Headteacher of two urban, multi-cultural schools.

Julie draws on her own research projects which engage her in constant contact with practitioners and children in both schools and settings. She is author of numerous articles and books including 'Starting from the Child?' (2024: 5th edition); 'The Foundations of Learning' (2002); 'Moving On to Key Stage One' (2020: 2nd edition) and her best-selling book 'Interacting or Interfering?' (2016). Julie has achieved a doctorate for her research into the changing role of early childhood educators.

Spotlight Continuous Provision

Embed Knowledge & Understanding

Whether you are taking the first steps into developing Continuous Provision in your EYFS or KS1, or you are looking to raise the quality of learning and interactions in the provision, the Early Excellence tools, developed by the specialist Curriculum Team will offer you and your team ongoing support.

Elevate staff knowledge and understanding of Continuous Provision – what it is, why it is important and how to plan each area to connect to your curriculum with the set of highly practical **Continuous Provision Guides**.

Upskill your whole EYFS team with the powerfully informative **Continuous Provision Videos** - explore a single area of provision, a bundle of connected aspects or become experts in all 19 areas of provision.

Gain ongoing support and fresh ideas through the **Inspiration Hub** – with practical tips, insightful discussions and access to expert advice, it's a must have App for every EYFS teacher!

Discuss Your CPD Needs Today

We hope this brochure has given you an overview of some of the high-quality, face-to-face and online training opportunities led by the Early Excellence Team, which will upskill your team and ensure best practice in the early years and beyond.

But when the need to develop outstanding EYFS and KS1 pedagogy becomes one of your strategic priorities, then let's connect and explore together how we can work in partnership to make a difference with our more bespoke options.

Our Senior Team are on hand for an initial discussion to explore your additional training needs and share further information about the different ways in which we can support your specific priorities. You might start by commissioning a review of your EYFS or KS1, or by exploring a one-off event in school or Trust wide. Alternatively, you may wish to explore more intensive, sustainable support to rapidly transform practice in a specific class, phase or school.

Whether you have a question around our CPD programme or are considering a more bespoke approach to training or consultancy, we'd be thrilled to be a part of your journey to excellence, so do reach out – we'd be delighted to connect with you.
